## Notice to the shareholders of abrdrn SICAV I – GDP Weighted Global Government Bond Fund

Dear Shareholder,

Notice is hereby given to you as a shareholder of abrdrn SICAV I – GDP Weighted Global Government Bond Fund (the "**Fund**") of a decision of the Board of Directors (the "**Board of Directors**") of abrdrn SICAV I (the "**Company**") to close the Fund by placing it into liquidation on 11 August 2026 (the "**Closure Date**").

### 1. Rationale for the closure

The Fund has not attracted the level of inflows anticipated since its launch. The Fund currently has 222 holdings and its net asset value, as at 22 April 2026, is approximately USD 74.5 million. In addition, a large investor has intimated its intention to leave the Fund, which would further reduce the Fund's net asset value. At this reduced value, the Fund cannot be operated in an economically efficient manner.

Small funds face a number of operating difficulties as they are unable to benefit from economies of scale. This may lead to problems in buying and selling assets at a reasonable price, which in turn may lead to compromised investment performance and proportionally higher costs. Following consideration of the available options, we believe it is in the best interest of all shareholders to close the Fund, liquidate all of the underlying assets and return the proceeds to shareholders.

Therefore, in accordance with article 20 of the articles of incorporation of the Company (the "**Articles**") and the applicable provisions of the prospectus of the Company (the "**Prospectus**"), the Board of Directors has resolved that it is in the best interests of shareholders to place the Fund into liquidation on the Closure Date and to proceed with the compulsory redemption of all outstanding shares in the Fund, as described below.

### 2. Liquidation process and impact on shareholders

The process of liquidating the Fund's assets will begin approximately two weeks before the Closure Date, being on or around 28 July 2026. From this date, the Fund will not adhere to its investment policy as it will be managed on a less diversified basis with an increased allocation to cash as the Fund's assets are realised.

On the Closure Date, the Company will redeem all the outstanding shares in the Fund listed below at a price reflecting the transaction costs of liquidating the assets (to be borne by the Fund), free of redemption charges. Any additional costs associated with the liquidation (such as legal, regulatory or administrative costs) will be borne by the Fund's management company, abrdrn Investments Luxembourg S.A. Please note that on the Closure Date only, the redemption price will be calculated to six decimal places for better accuracy in calculating redemption proceeds, while

the published net asset value on the Closure Date will be stated to four decimal places as usual.

Redemption proceeds will be paid into each shareholder's nominated bank account within three days of the Closure Date in accordance with any instructions given on the application for the relevant shares, subject to any subsequent amendments to such instructions.

Shareholders will be sent a further communication, in the form of a contract note, as soon as practicable after the Closure Date confirming that the Fund has closed and informing them of the amount of redemption proceeds paid.

The redemption proceeds relating to shares in the Fund for which payment to shareholders cannot be made, will be deposited in escrow at the *Caisse de Consignation* in Luxembourg. Amounts not claimed from escrow within the relevant prescription period will be liable to be forfeited in accordance with the provisions of Luxembourg law.

If there are any windfall payments or further redemption proceeds from illiquid assets received by the Fund, or cash remaining, after the Closure Date, further payment(s) will be made to all the shareholders who were invested in the Fund at the Closure Date, therefore please be advised that if you redeem prior to the Closure Date, you will not receive any of these proceeds. As at 22 April 2026, there are no illiquid assets in the Fund.

**As such, please let us know if your address details change on or after the Closure Date at the contact details provided in the letter. If the contact details we hold for you are not up-to-date at the time such payments (if any) are paid out, we may not be able to pay your share (if any) to you.**

### 3. What to do next

**IF YOU WISH TO CONTINUE TO REMAIN INVESTED IN THE FUND UNTIL THE CLOSURE DATE YOU DO NOT NEED TO TAKE ANY FURTHER ACTION.**

The Fund will remain open to new subscriptions from existing investors up until two weeks before the Closure Date. Shareholders may switch their investment into another sub-fund of the Company or redeem their shares in the Fund until 13:00 CET on the Closure Date, in each case in accordance with the standard procedures described in the Prospectus. Shareholders are informed that, if you switch or redeem your shares in the Fund from the date of this notice until the Closure Date, the redemption price and switching price will be adjusted downwards by an estimated 0.07% in accordance with the swing pricing provisions in the Prospectus to reflect the anticipated transaction costs. The adjustment rate will vary from time to time depending on market conditions and the portfolio at the time of the redemption and/or switching.

If you do not switch or redeem all your shares in the Fund before the Closure Date, all outstanding shares of the Fund (in the specified share classes) will be compulsorily redeemed by the Company on the Closure Date as described above in this notice. The net asset value of the Fund as at the Closure Date will be distributed pro-rata to you.

A redemption or switch of your investment on or before the Closure Date may create a chargeable tax event in your country of tax residence. This could result in tax filing obligations and you may have to pay tax on any gain you may make. We do not provide investment advice and we strongly recommend that you seek advice from a person who is authorised under the applicable law in your country of residence to provide investment advice so that you understand how these changes affect you, your investment and your tax position.
